CONFIDENTIAL HEALTH QUESTIONNAIRE

You now need to provide information about the medical history of yourself and each person named in Section A. If you tick Yes to a question, please provide full details in Section D.

Once you've done this we can finalise your application. It may help to have any relevant medical documentation to hand when you are filling out this form. Depending on the medical history, we might need some further information before we can finalise your cover.

Please read the following questions very carefully. Please take reasonable care to answer all questions honestly and fully. Careless misrepresentation could result in Cigna reducing the amount of any claims proportionately; whereas deliberate or reckless misrepresentation could result in Cigna rejecting claims, and/or cancelling cover. If you need help completing your application, please contact us.

If you are unsure about the answer to any question you should make the enquiries necessary to allow you to provide an accurate answer.

I acknowledge that if I do not answer all questions accurately and completely as a result of my carelessness that could result in Cigna reducing the amount of any claims proportionately. I also acknowledge that if I deliberately or recklessly provide inaccurate or incomplete information in answer to questions that could result in Cigna rejecting claims, and/or cancelling cover.

The duty to answer our questions accurately, honestly and completely applies in respect of each person who is covered by this policy. Although failure to fulfil this duty by one covered person may affect coverage or payment of their claims, it will not affect coverage or payment of claims in relation to any other covered person, unless that person has also made careless, deliberate or reckless misrepresentations in relation to our questions. In the event that it is found that I, or any covered person, have deliberately or recklessly provided any information which is false or inaccurate, Cigna may void the contract of insurance as it relates to me or the covered person and refuse all claims and need not return any premiums paid in, except for where it would be unfair for the premiums to be retained. I have carefully read, understood and agree to abide by the Policy Rules and Customer Guide as they form part of my contract of insurance.
