## WE HAVE YOU COVERED

### Pre-existing conditions

Our plans provide cover for pre-existing and chronic conditions. Any pre-existing conditions will be reviewed by us. The outcome of our decision will be communicated to you during the application process in our underwriting summary form. Please let us know about any pre-existing conditions or chronic conditions as part of your application, as any undisclosed conditions could result in us not paying claims for those conditions.

### Out of area emergency care

For additional peace of mind, your plan includes emergency short-term medical coverage when you are visiting a location outside of your selected area of coverage. Beneficiaries will be covered for emergency treatment during temporary trips, even if those trips are outside your selected area of coverage.

# HOW OUR PLANS WORK

Our Healthguard plans comprise of 3 distinct levels of cover. Depending on where you will be travelling to and your budget, we have a plan to suit your needs.

Our International and International Plus plans provide cover for worldwide travel with the option to select the Worldwide including USA area of cover. The International plan has a generous overall benefit maximum of AED 7,350,000 and the International Plus plan, our most comprehensive plan, has higher individual benefit limits and an unlimited overall annual maximum.

The Regional plan, the lower tier among our 3 plans, has an overall annual maximum of AED 2,750,000. This plan not only covers you in the United Arab Emirates and the wider Middle East but extends across Asia (with the exceptions of Hong Kong, China and Singapore). This is ideal for individuals who do not intend on travelling outside of Asia.

After you have decided which plan suits your needs best, you can select your Network Tier from one of our four choices: General, General Plus, Comprehensive excluding American Hospital Dubai (AHD), or Comprehensive.

# HOW CO-PAY ON OUTPATIENT VISITS WORKS

Co-Pay is the percentage of each outpatient visit which a beneficiary must pay themselves. You will be responsible for paying the amount of Co-Pay directly to the healthcare provider. The healthcare provider will let you know what this amount is. Your Certificate of Insurance and Medical ID Cards will detail any Co-Pay applicable.

For your added protection, there is a limit on the Co-Pay amount you will pay for every

outpatient visit. If you have selected a 10% Co-Pay, the maximum amount you will pay for an outpatient visit is AED 50. If you have selected a 20% Co-Pay, the maximum amount you will pay for an outpatient visit is AED 100.

Please see how the optional Co-Pay in relation to outpatient visits will apply for the following examples. For further details, please refer to Clause 18 in the Customer Handbook.

# WHEN YOU NEED OUR HELP - WE WILL BE THERE FOR YOU

If you become ill or have a medical emergency, we want to make sure you are getting the right treatment when you need it. Our experts are available 24 hours a day, 7 days a week, 365 days a year and can help you arrange your treatment plan, and point you in the right direction, saving you the time and hassle of looking for a hospital, clinic or medical practitioner yourself. What's more, in most cases we can arrange direct payment with your treatment provider, cutting down the hassle and letting you focus on your health.

## Getting treatment

Prior authorisation is required for all treatments and services with the exception of certain outpatient treatments. Our Customer Care Team will help you find a high quality hospital or doctor near you. Wherever possible, we will pay them directly, saving you the inconvenience of paying for your treatment yourself and claiming a refund later.

On occasions where you do pay for treatment yourself, we'll aim to process your claim within 5 working days after receiving all necessary documentation.

The Customer Handbook you receive as part of your welcome pack will tell you everything you need to know about getting treatment and making a claim.

# WHAT YOU CAN EXPECT FROM US

**In addition to your Cigna Healthguard<sup>SM</sup> plan, there are a few more things you might like to know about us and the service you can expect as a customer of ours.**

## Comprehensive welcome pack

Once you have joined Cigna, we will send your medical ID cards to the postal address you provided on your application form. Your policy documents, including the Customer Handbook and your Certificate of Insurance will be available online in your secure Customer Area.

Please read through your policy documents and make sure you check the details of your policy on the Certificate of Insurance. You will need to show your ID card when you require treatment so your doctor knows who you are (it's not used for payment). It also has all the contact numbers you'll need.

## Your policy documents include the following:

### Customer Handbook

This is your guide to using your health care plan, how it works and a guide to the benefits. It also includes the terms and conditions, general exclusions and definitions of your policy and our Complaints procedure - all in one useful booklet.

### Certificate of Insurance

A record of the plan you chose, the premium and what and who it covers.

### ID Cards

These provide proof of your identity and cover for when you need treatment.
