

# INTRODUCING: EU LOCAL

Cover for high net worth local nationals in Cyprus, Greece, Malta and Romania, now available

We are delighted to announce that Cigna Global Health Options is now available to local nationals in Cyprus, Greece, Malta and Romania. Responding to a growing market demand, we have developed a product which enables customers in these key European markets to access high quality care across the globe as well as their home country.

Cigna Global Health Options helps you create a health insurance plan that's perfectly tailored to your needs - with the reassurance of comprehensive core cover, and the flexibility of additional modules to build a plan which fits your needs.

## Why choose Cigna Global?

If you are a globally mobile individual, or if you live in a country where the standards of healthcare do not meet your needs, Cigna Global is the right choice for you. Our plans are designed to give you and your family access to the best healthcare possible, wherever you are in the world.

## What is different about EU Local?

We have removed the clause which restricts the cost of treatment during the period of cover for a total of less than 90 days in your country of nationality - enabling access to high quality care across the globe as well as your home country.

We offer unparalleled international cover, with access to our global network comprising of over

**1 million** partnerships, including

**89,000** behavioural health care professionals, and

**11,400** facilities and clinics.

Together, all the way. <sup>SM</sup>
