

WHY CHOOSE CIGNA HEALTHGUARDSM

Comprehensive Core Cover

An extensive standard cover including preventative treatment:

- Routine Health check
- Annual dental check-ups
- Adult and Child Vaccinations
- Annual Cancer screenings
- Cancer preventative surgery

Added Flexibility

You can tailor our plans according to your healthcare needs. Choose from our multiple network tiers and select your level of Co-Pay in relation to outpatient visits. These options are available across all our plans. In addition to the core medical offering, you have the possibility to add our Healthy Connect and Mother and Baby Care optional modules for enhanced cover.

Full Clinical Support

If you are suffering from a chronic or acute condition, a team of Cigna doctors will support you free of charge with Case Management, Decision Support and Chronic Condition Management throughout your treatment plan.

Medical Passport

You have the freedom and flexibility to take treatment locally or anywhere in the world in line with your medical cover. We have a global medical network comprising of over 1 million partnerships. While our local network provides access to 3,200 facilities in the UAE including 90 Hospitals, 1,710 Clinics, and 1,400 Pharmacies.

Portability

We currently sell in over 200 countries and territories around the world allowing us to offer our customers similar coverage should they move outside of the UAE. Regardless of where our customers are located, we will be there wherever and whenever you need our help.

Cashless Access to Treatment

For your convenience, if you go for authorised treatment in the UAE at an in-network hospital, clinic, or doctor we will directly pay the provider in most instances.

Download our Cigna Wellbeing™ App for free access to medical practitioners and specialists wherever you are in the world via video and phone consultations. You can also pro-actively manage your health and wellbeing with online assessments and programmes.

Together, all the way.SM
