

WHY CHOOSE CIGNA GLOBAL HEALTH THAILAND

Comprehensive Core Cover

Extensive inpatient and daypatient cover including:

- › Cancer care*
- › Advanced Medical Imaging (MRI, CT and PET scans)*
- › Treatment for mental health conditions*
- › Post hospitalisation medication
- › Rehabilitation
- › Physiotherapy

*This benefit also covers treatment on an outpatient basis.

Added Flexibility

You can tailor our plans according to your healthcare needs and budget. We offer 3 levels of coverage, 5 optional modules to enhance your cover, 3 areas of coverage and multiple deductible and cost share options.

Global Telehealth

Our Global Telehealth service gives you access to licensed doctors around the world for non-emergency health issues. We can arrange a callback appointment for you often on the same day, or you can arrange a telephone or video consultation from the Cigna Wellbeing™ app.

Accidental Death or Total Permanent Disability Compensation

As part of the core cover, we offer financial compensation if a covered person dies from an accident or sustains a total permanent disability as a result of an accident.

Full Clinical Support

If you are suffering from a chronic or acute condition, our team of dedicated doctors and nurses will support you free of charge with Case Management, Decision Support and Chronic Condition Management throughout your treatment plan.

Direct Billing

For your convenience, if you go for authorised inpatient and daypatient treatment in Thailand at an in-network hospital, clinic, or doctor we will directly pay the provider in most instances. You can benefit from our large global network of over 1.65 million medical providers.

Download our Cigna Wellbeing™ App for free access to medical practitioners and specialists wherever you are in the world via video and phone consultations. You can also pro-actively manage your health and wellbeing with online assessments and programmes.

Together, all the way.™
